Re: *Ex Parte Filing*, GN Docket No. 09-191, WC Docket No. 07-52

Dear Ms. Dortch:

This is to inform you that on May 4, 2010, David Hyman, General Counsel, Dr. Neil Hunt, Chief Product Officer, of Netflix, Inc. ("Netflix"), and the undersigned met with Walter Johnston and James Miller of the Office of Engineering and Technology; Michael Goldstein of the Wireless Competition Bureau; John Kiefer and Allison Neplokh of the Media Bureau; and Jon Peha, the FCC's Chief Technologist.

The purpose of the meeting was to brief the Commission staff on the technical configuration of the Netflix online video service. That discussion touched on certain issues raised in the *Notice of Proposed Rulemaking* in the above-captioned dockets, including the importance of transparency and non-discrimination on the part of network operators. Our discussion reflected Netflix's positions set forth in greater detail in the comments filed on January 14, 2010.

Please direct any questions regarding this matter to the undersigned.

Respectfully,

Henry Goldberg
Counsel to Netflix
