Re: Notice of Oral *Ex Parte* Presentation
WT Docket No. 07-293; IB Docket No. 95-91

Dear Ms. Dortch:

On May 7, 2010, representatives of Sirius XM Radio Inc. ("Sirius XM") met with FCC staff members to discuss issues associated with the above-captioned proceedings.

Sirius XM participants in the presentation were Terrence Smith, Craig Wadin, James Blitz and myself. The FCC participants were Ron Repasi, Bruce Romano, Patrick Forster and Bob Weller from the Office of Engineering and Technology.

During the meeting, Sirius XM reiterated points and positions that are fully reflected in its written submissions to the record in these proceedings. In addition, Sirius XM presented the staff with copies of its latest video showing the effects of the staff's proposed rules for WCS mobile service on satellite radio reception.¹

Please let me know if there are any questions about this submission.

Sincerely,

/s/ Michael A. Lewis
