Re: WT Docket No. 06-150; PS Docket No. 06-229; GN Docket No. 09-51

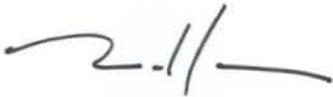

Dear Ms. Dortch:

Representatives of Sprint Nextel Corporation and Clearwire Corporation met Friday May 7, 2010 with Louis Peraertz, Acting Legal Advisor for Wireless, International, and Public Safety for Commissioner Mignon Clyburn. Lawrence Krevor and Trey Hanbury represented Sprint Nextel. Christopher Murray represented Clearwire.

The parties discussed the importance of the 4G ecosystem both domestically and internationally and then addressed the Commission's longstanding and successful development and application of a policy of technological neutrality. The parties encouraged the Commission to maintain technological neutrality as it ushers in next-generation broadband services and applications.

Please associate this notice with the above-referenced proceedings and feel free to contact me with any questions.

Sincerely,
