

In The Matter of Petition For Rulemaking RM-11599

I, Richard F. Arsenault, Petitioner, have in my possession four (4) copies of “Comments” which are not posted on the FCC website as of 10:20 A.M. on May 11, 2010, which to the best of my knowledge, were forwarded to the Commission all in support of RM-11599. I have received these original signed copies in compliance of the “Certificate of Service” requirement from the parties that I believe filed these Comments on RM-11599 with the Commission. The parties which are not included in the “Recent Public Filings” list for RM-11599 on the FCC website were the first four (4) that I received early in the 30 day comment period and are as follows:

Mark Heller, President of WTRW Inc.  
Licensee of WGBW, Two Rivers, WI  
(filed by Mark Heller and postmarked April 8<sup>th</sup>, 2010)

Snavelly Broadcasting Company, LLC  
Licensee of WIXI, Jasper, AL  
(filed by Anthony T. Lepore, Esq., its Counsel and postmarked April 16<sup>th</sup>, 2010)

La Raza Media Group, LLC  
Licensee of WTWB, Auburndale, FL  
(filed by Anthony T. Lepore, Esq., its Counsel and postmarked April 16<sup>th</sup>, 2010)

Caribbean Broadcasting Corporation  
Licensee of WCMN, Arecibo, PR  
(filed by Anthony T. Lepore, Esq., its Counsel and postmarked April 16<sup>th</sup>, 2010)

I request that if the Commission has received these “Comments”, that they be included in the “Recent Public Filing” and therefor be incorporated into RM-11599. Thank you for your help and attention to this matter.

Sincerely,

/s/

Richard F. Arsenault
