Re: Notice of Oral *Ex Parte* Presentation
WT Docket No. 07-293; IB Docket No. 95-91

Dear Ms. Dortch:

On May 10, 2010, representatives of Sirius XM Radio Inc. ("Sirius XM") met with FCC staff to discuss issues associated with the above-captioned proceedings.

Participating in these discussions from Sirius XM were Mel Karmazin, Terrence Smith, Craig Wadin, and James Blitz. Accompanying them were Richard E. Wiley, Robert Pettit and myself. The FCC participants were Julius Knapp and Ronald Repasi from the Office of Engineering and Technology.

During the meeting, Sirius XM reiterated points and positions that are fully reflected in its written submissions to the record in these proceedings. In addition, we presented Mr. Knapp with a copy of the latest video showing the effects of the staff's proposed rules for WCS mobile service on satellite radio reception.¹

Please let me know if there are any questions about this submission.

Sincerely,

/s/ Michael A. Lewis
