RE: Notice of *ex parte* presentation in:

GN Docket No. 09-191
WC Docket No. 07-52

Dear Ms. Dortch,

On Tuesday, May 11, John Morris, David Sohn, and Andrew McDiarmid of the Center for Democracy and Technology (CDT) met with FCC Chief Technologist Jon Peha. We discussed the importance of carefully defining “managed or specialized services” in the final Open Internet rules, and discussed the merits and drawbacks of several criteria that might be used in that definition. Specifically, presenters described the definition proposed on pages 35–40 of CDT’s Reply Comments in the above captioned proceedings.¹

A copy of this letter is being sent to Jon Peha.

Sincerely,

David M. Sohn
Senior Policy Counsel
