Re: Notice of Written *Ex Parte* Communication
2006 Quadrennial Regulatory Review - Review of the Commission's Broadcast
Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the
Telecommunications Act of 1996, MB Docket No. 06-121

Dear Ms. Dortch:

On May 11, 2010, Deputy Chief Economist Jonathan Levy emailed Free Press Research Director S. Derek Turner asking for Mr. Turner to provide the Commission with raw data produced by Free Press in prior reports on female and minority broadcast ownership. Mr. Turner shared the information with Dr. Levy via email. ECFS cannot be used to upload non-pdf data sets, but we are happy to make the information available to any party upon request. The data disclosed was collected from individual FCC Form 323 filings as described in the accompanying reports. Note however that the information shared with the Commission today excludes all proprietary third-party data used for empirical analysis in the accompanying reports.

Best,
