EX PARTE OR LATE FILED

Re: Notice of *Ex Parte* Communication
WT Docket No. 07-293

Dear Ms. Dortch:

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, this letter notifies the Commission that on May 5, 2010 I transmitted a video demonstrating the interference that will occur to satellite radio consumers under the WCS rules proposed by the FCC staff via emails to Angela Giancarlo, Legal Advisor to Commissioner McDowell, Charles Mathias, Legal Advisor to Commissioner Baker and John Giusti, Chief of Staff and Legal Advisor to Commissioner Capps on behalf of Sirius XM Radio Inc. ("Sirius XM"). A copy of the transmittal emails and a CD-ROM containing the video files that were transmitted are enclosed with this letter.

Additionally, Gregg Elias and I, both from Wiley Rein LLP, spoke with Charles Mathias and John Giusti separately on behalf of Sirius XM. During the conversations we expressed the views of Sirius XM that have previously been submitted into the record of the above-captioned proceeding.

Please contact the undersigned if there are any questions with this filing.

Respectfully,

Robert L. Pettit
Counsel for Sirius XM Radio Inc.

Angela -

Federal Communications Commission
Office of the Secretary

On behalf of Sirius XM Radio Inc. and in anticipation of tomorrow's meeting, attached is a link to a brief video demonstrating the interference that will occur to satellite radio subscribers under the WCS rules proposed by the FCC staff on April 2. *This video represents what satellite radio consumers will experience if the Commission adopts the staff's proposed rules.* The tests employed standard off-the-shelf test equipment, a 2.5 MHz guard band, representative WCS uplinks, and other operational characteristics that would be allowed under the draft rules.

A copy of the video will be submitted for the record in WT Docket 07-293.

We look forward to discussing this with you and Commissioner McDowell.
