Re: *Implementation of Section 224 of the Act: Amendment of the Commission's Rules and Policies Governing Pole Attachments*
WC Docket No. 07-245, RM-11293, RM-11303

Dear Ms. Dortch:

On May 12, 2010, Curt Stamp of ITTA, Jeffrey Lanning of CenturyLink, and the undersigned met with Christi Shewman of Commissioner Meredith Attwell Baker's office; Michael Shultz of Consolidated Communications joined the meeting via telephone.

The parties discussed the above-referenced dockets, and relied upon the attached presentation to guide the discussion. The parties discussed the statutory imperative to ensure just and reasonable rates, terms, and conditions for ILEC pole attachments, and their interest in implementation of a uniform rate for broadband attachments. The company representatives described examples of pole attachment negotiations with utilities.

Please do not hesitate to contact me if you have any questions or require additional information.

Respectfully submitted,

Joshua Seidemann
Vice President, Regulatory Policy
