**Re: *Implementation of Section 224 of the Act: Amendment of the Commission's Rules and Policies Governing Pole Attachments***  
**WC Docket No. 07-245, RM-11293, RM-11303**

Dear Ms. Dortch:

On May 12, 2010, Curt Stamp of ITTA, John E. Benedict of CenturyLink, and the undersigned met with Angela Kronenberg of Commissioner Mignon Clyburn's office; Michael Shultz of Consolidated Communications and Robin Tuttle of Fairpoint joined the meeting via telephone.

The parties discussed the above-referenced dockets, and relied upon the attached presentation to guide the discussion. The parties discussed the statutory imperative to ensure just and reasonable rates, terms, and conditions for ILEC pole attachments, and their interest in implementation of a uniform rate for broadband attachments. The company representatives described examples of pole attachment negotiations with utilities.

Please do not hesitate to contact me if you have any questions or require additional information.

Respectfully submitted,

Joshua Seidemann  
Vice President, Regulatory Policy
