by Frontier Communications Corporation and Verizon Communications, Inc.  
for Assignment or Transfer of Control

Dear Ms. Dortch:

On May 19, 2010 George Kohl, Senior Director, Collective Bargaining & Technology, of the Communications Workers of America (CWA), talked by telephone with Edward Lazarus, Chief of Staff in the Chairman's Office, regarding the above-captioned proceeding.

Mr. Kohl and Mr. Lazarus discussed the importance of maintaining and expanding the number jobs in the various states in order to provide quality service. They also discussed the fact that there have been discussions between CWA and Frontier Communications Corporation which included discussions regarding the maintenance and expansion of employees in the fourteen (14) states and that the discussions to-date had not resulted in an agreement.

If you have any questions or concerns please feel free to contact me.

Sincerely,
