Dear Ms. Dortch:

On May 19, 2010, Dan Moffat, President and Chief Executive Officer of GTA TeleGuam LLC ("GTA"), Dan Tydingco, Executive Vice President of External and Legal Affairs for GTA, and the undersigned met with Rebekah Goodheart, Amy Bender, and Gary Seigel of the Wireline Competition Bureau.

GTA discussed the competitive state of broadband deployment in Guam and the importance of obtaining a thorough understanding of the nature of broadband services currently being provided in a given area before federal funds are used to support or expand capital expenditures to build broadband networks in such areas.

Thank you for your attention to this correspondence. If you have any questions, please do not hesitate to contact the undersigned.

Sincerely yours,
