Eddie --

We thought this NOI was just magnificent. In the 2002 radio ownership proceeding, the 2004 Biennial (and Prometheus remand proceedings), the 2004 Adarand NOI, and the 2006 Quadrennial, the notices seeking comment consistently failed to ask many of the questions that should have been asked about minority participation. The 2010 Notice asks virtually every such question, including all of those we'd recommended over the past decade for inclusion in such notices.

Kind regards,
