RE: Federal-State Joint Board on Universal Service, High Cost Universal Service Support
(CC Docket No. 96-45 and WC Docket No. 05-337)

Dear Commissioner Copps:

I'd like to call to your attention this editorial by Rafael Fantauzzi, President and CEO of the National Puerto Rican Coalition, entitled "Stop the FCC from Treating Puerto Ricans as Second Class Citizens." His editorial underscores why, from a policy and a moral standpoint, the Commission should reverse course and ensure that Puerto Rico will enjoy the universal wireline infrastructure that the rest of the nation takes for granted.

Sincerely,

David Honig
