Re: National Broadband Plan for Our Future, GN Docket No. 09-51

Dear Ms. Dortch:

On June 1, 2010, James Cicconi, Robert Quinn and Hank Hultquist of AT&T and Michael Glover and Kathleen Grillo of Verizon met with Commissioner Robert McDowell and Angela Giancarlo, Rosemary Harold, and Christine Kurth, legal advisors to Commissioner McDowell.

Verizon and AT&T discussed the proposal to classify broadband services as common carrier services under Title II of the Act. We expressed our desire to work constructively with the FCC and Congress on alternatives. In particular, we discussed the possibility of targeted legislation that would help clarify the FCC's authority to implement the National Broadband Plan.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Rice".
