Re: GN Docket No. 09-51

Dear Ms. Dortch:

On June 1, 2010, Jim Cicconi, Robert Quinn, and I of AT&T met with Commissioner Meredith Attwell Baker and her legal advisors, Charles Mathias and Christi Shewman.

We discussed the proposal to classify broadband services as common carrier services under Title II of the Act. We expressed our desire to work constructively with the Commission and Congress on alternatives. In particular, we discussed the possibility of targeted legislation to help clarify the FCC's authority to implement the National Broadband Plan.

Pursuant to section 1.1206 of the Commission's Rules, this letter is being filed electronically with your office for inclusion in the public record of the above referenced proceeding.

If you have any questions, please do not hesitate to contact me at (202) 457-3821.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Hultquist", written over a horizontal line.
