Re: *Ex Parte* Notice – CG Docket Nos. 03-123, 10-51

Dear Ms. Dortch:

On June 3, 2010, I spoke by phone with Christi Shewman, legal advisor to Commissioner Baker, to explain Sorenson's position on the ratemaking pending in this proceeding, consistent with Sorenson's comments and other written submissions in the above-referenced dockets. I emphasized Sorenson's position that a decision to perpetuate tiered rates for video relay service would have no sound basis in law or policy. Instead, all providers should be subject to the same (non-tiered) rate, and no provider should be given special treatment in the form of disparate tiered rates that reward and encourage inefficiency.

This letter is being filed for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
