ORDER

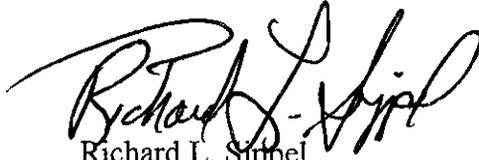

Issued: May 21, 2010

Released: May 21, 2010

On April 18, 2010, the parties were ordered to file Trial Briefs by May 24, 2010, *See Order* FCC 10M-01. In an informal telephone conference conducted on May 20, 2010, that was requested by counsel, it was apparent that the parties had not yet completed discovery or any meaningful trial preparation. Bureau counsel suggested early November as an appropriate time for submitting Trial Briefs that identified witnesses and documents to be used at trial. Mr. Crowell immediately objected to a November extension, although Mr. Crowell had previously suggested the Fall for cessation of discovery and trial preparation.¹ And it must be noted that on April 15, 2010, Mr. Crowell moved to vacate dates set in *Order* FCC 10M-01 for Status Report and Trial Briefs. Under the circumstance, the parties clearly are not now in a position to file Trial Briefs that would assist the Presiding Judge in moving this case to hearing anytime soon.

According, based on Applicant's Motion to Vacate and the representations of both counsel in Status Reports, as well as today's phone conference, IT IS ORDERED that the filing of Trial Briefs be deferred until **October 22, 2010**, or at such later date as may be set by the Presiding Judge.
