Re: CG Docket No. 05-231 ("In the Matter of Closed Captioning of Video Programming; Telecommunications for the Deaf, Inc. Petition for Rulemaking")

Dear Ms. Dortch:

On June 4, 2010, Larry Goldberg, director of the Carl and Ruth Shapiro Family National Center for Accessible Media at WGBH (NCAM), met with Karen Peltz Strauss (Deputy Chief, Consumer and Governmental Affairs Bureau) and Amelia Brown (Consumer and Governmental Affairs Bureau, Disability Rights Office).

We discussed closed caption quality issues relating to live programming, near-live programming, children's programming, and how different caption production methods and distribution systems can cause differing degrees of caption errors.

Pursuant to section 1.206 of the Commission's Rules, this letter is being filed electronically with your office for inclusion in the public record of the above-referenced proceeding.

If you have any questions, please do not hesitate to call me at 617-300-3722.

Sincerely,

A handwritten signature in black ink that reads "Larry Goldberg". The signature is written in a cursive style.

The Carl and Ruth Shapiro Family  
National Center for Accessible Media (NCAM)
