Re: MB Docket No. 10-56

Dear Chairman Genachowski:

As Chairman of the Board of Hispanic Caucus Chairs, I am writing to express my strong support for the Comcast-NBCU merger.

Both Comcast and NBCU are firmly implanted in our state. NBCU has a significant presence here, including Universal Studios in Orlando and WTVJ, the NBC owned and operated television station in Miami. Comcast has more than 260 Florida facilities and has well over two million customers state-wide. Both organizations have substantial records of local philanthropy; both have shown unparalleled commitment to our state's Hispanic communities. I believe strengthening these entities will yield a stronger and even more enduring commitment to community service.

As current chairman of the Board of Hispanic Caucus Chairs, I can express only the highest praise for Comcast. Not only has the company provided financial support for our organization, it has been and continues to be aligned with our agenda to grow programs and resources that enhance and serve the Hispanic community.

Beyond that, the transaction will mark an important step towards transforming entertainment, communication, and information technology for the 21<sup>st</sup> Century,

Thank you.

Sincerely,

Juan C. Zapata, Chairman  
Board of Hispanic Caucus Chairs
