Re: Notice of Oral *Ex Parte* Presentation  
WT Docket No. 07-293; IB Docket No. 95-91

Dear Ms. Dortch:

On June 8, 2010, representatives from Sirius XM Radio Inc. (“Sirius XM”) spoke by telephone with staff from the Office of Engineering and Technology (“OET”) on issues associated with the above-captioned proceedings. Participating on the call were Terrence Smith, Craig Wadin, Riza Akturan and James Blitz from Sirius XM, and myself. We spoke with Ron Repasi, Bruce Romano and Pat Forster from OET. The discussions focused on the nature of the changes that would be included in a forth-coming Erratum in the above-captioned proceedings that has since been released.<sup>1</sup>

Please let me know if there are any questions about this submission.

Sincerely,

/s/ Michael A. Lewis
