Re: Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25.

Dear Ms. Dortch:

On June 9, 2010, Richard Metzger, Gil Strobel, Chris Wright and I, representing Sprint Nextel, met with Chris Killion and Julie Veach of the Office of General Counsel, Paul de Sa of the Office of Strategic Planning and Policy Analysis, Jonathan Baker, Chief Economist, and Nick Alexander, Steven Rosenberg, and Don Stockdale of the Wireline Competition Bureau, on the topic of special access. We discussed the need for interim relief, an FCC data request, the pending increase in AT&T rates as of July 1, 2010, the inadequacy of the current pricing flexibility triggers, the upcoming staff workshop on the analytic framework, and potential frameworks for establishing just and reasonable special access rates.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,

s/ Paul Margie
