Re: MB Docket No. 10-56

June 2, 2010

Dear Chairman Genachowski,

The intention of this letter is to voice the Greater Pueblo Chamber of Commerce's support for the Comcast/NBC Universal venture. Comcast has supported and invested in our community for many years and we believe this venture will provide Comcast a platform to continue to grow its commitments here.

The Greater Pueblo Chamber serves as the dynamic voice of the Pueblo business community and represents the interests of our members at the local, state and federal levels. We are dedicated to improving quality of life and promoting Pueblo as a great place to live, visit and conduct business.

Comcast is an enthusiastic partner in our efforts. The company is one of our most prominent and active members, employing 55 of Pueblo's people and providing cable and broadband services to over 700 of Pueblo's businesses. Comcast has also adopted the spirit of our organization investing to bring broadband to our community and providing complimentary access to public schools and community buildings. Comcast has also generously provided the Greater Pueblo Chamber with the chance to spread our message by being a regular guest on the Comcast Newsmakers program. We really appreciate this opportunity to advance the Chamber's mission and the causes we support.

We support Comcast because it is a company that so clearly supports the people and businesses of Pueblo. We hope you will take this into account as you render a decision on the currently proposed Comcast/NBC Universal venture.

Sincerely,

Rod Slyhoff  
CEO  
The Greater Pueblo Chamber of Commerce
