

I would like to see you all make satellite more assesible to local for rural or let them be able to buy network channels from other places. I live in a small town in the rural where we cannot get any network channels, when you have older people living with you tv is all they have. I have tried several times to get network channels from other places to no advail, please help us to be able to get some network channels in our area

Thanks

Diann Ellis
