Dear Ms. Dortch,

The Kentucky Public Service Commission respectfully submits the enclosed complaint log in connection with the provisioning of Telecommunications Relay Service pursuant to Section 64.604(c)(ii) of the FCC's rules. Hamilton Relay, with corporate offices located at 1001 12th Street, Aurora, NE 68818, is under contract with the State of Kentucky to provide Telecommunications Relay Service.

Hamilton tracks all complaints and all other customer service activity for the State of Kentucky. The State of Kentucky's complaint summary is associated with the following database categories:

Hamilton processes any complaint, which originates via e-mail, fax, telephone, regular mail, outreach events, at the workstation, etc. Those complaints and resolutions are reflected in this report. Hamilton normally provides a resolution to all complaints within 72 hours. The complaints enclosed are resolved with the exception of those equal access complaints in which the carrier involved is still working to become a carrier through relay.

In the Miscellaneous External and Fraudulent/Harassment Call categories, you will find several complaints that we believe to be associated with fraudulent activity over Internet Relay. Hamilton continues to implement protocols specifically designed to prevent calls originating from an international IP address from accessing the relay.

Kentucky Relay Service has received a total of 34 complaints in violation of FCC mandatory minimum standards for the time period June 1, 2009 through May 31, 2010.

Please feel free to contact myself at 502-564-3940 or Dixie Ziegler with Hamilton Relay at 800-618-4781 V/TTY with any questions regarding the above.
