RE: MB Docket No. 10-56

Dear Chairman Genachowski and Commissioners:

Elmer, New Jersey, is a farming community, bringing together residents from diverse backgrounds, small businesses, health care, manufacturers and our local community hospital. Our community is tightly-knit with many community events, where I have had the pleasure of working with Comcast.

Comcast has participated in events with the Appel Farm Music Festival, the South Jersey Food Bank and Leukemia Lymphoma Society. Comcast has always welcomed the opportunity to participate in the Greater Elmer Area's local events. It is obvious that Comcast wants to be a part of the Elmer community.

I support the upcoming joint-venture with NBC as I am confident Comcast will continue to set a strong example of community service.

Sincerely,

Mayor Joseph P. Stemberger
