Re: MB Docket No. 10-56

Dear Chairman Genachowski:

As the Executive Director of the Moraine Valley Community College Foundation, I am writing to express my genuine enthusiasm for Comcast and its employees and to pledge my support for its proposed union with NBC Universal.

Moraine Valley is the second largest community college in the state of Illinois. Approximately 46,000 students are enrolled annually, 34 percent of whom qualify for financial aid.

Our Foundation provides philanthropic financial support for Moraine Valley Community College and its students so they can realize their future goals and vision.

Comcast's Government Affairs Manager Noreen Ligino-Kubinski currently serves as the Vice President of our Board of Directors. She is an invaluable resource and consistently lends the board her leadership and expertise. Noreen has chaired multiple special event committees and plays an instrumental role overall. She adeptly secures interest and support, and promotes the mission of the Foundation.

Comcast is also a key sponsor of our annual fundraising events such as our Fire & Ice Gala and Annual Golf Outing. With its support, the Foundation raises awareness and ensures that students have access to a quality, affordable education.

Comcast is our partner in the effort to provide affordable education and has, time and again, committed itself to promoting and sustaining Moraine Valley Community College and the thousands of students that pass through our doors. Comcast invests locally and improves the communities it touches; please consider supporting its proposed partnership with NBC Universal.

Sincerely,

Sue Linn
Executive Director
Moraine Valley Community College Foundation

CC: Commissioner Michael J. Cops
Commissioner Robert M. McDowell
Commissioner Mignon Clyburn
Commissioner Meredith Attwell Baker
