Re: MB Docket No. 10-56

Dear Chairman Genachowski:

I am the Director of Finance and Development for the Hyde Square Task Force in Boston, Massachusetts. I am reaching out to you today to ask that you consider Comcast's commitment to diversity as you assess the merits of its proposed venture with NBC Universal.

The mission of the Hyde Square Task Force is to develop the skills of youth and their families so that they are empowered to enhance their own lives and build a strong and vibrant community. Our youth leadership development programs target the predominantly low-income, Latino and African-American youth living in Boston's Jamaica Plain and Roxbury neighborhoods. These programs not only help our students advance at school and in careers. They also help improve opportunities for everyone in our neighborhood. Since 2005, Comcast has been a strong supporter of our programs.

In addition, Comcast has brought its Comcast Cares Day to Hyde Square. It has partnered with the Hyde Square Task Force to clean up our neighborhood parks and schools, helping make our community a better place to live.

Comcast also demonstrates its commitment to diversity in the way it runs the day to day operations of its business. The National Council of La Raza, of which the Hyde Square Task Force is an affiliate, has worked closely with Comcast as it seeks to improve diversity among its employees and its business partners. It is no surprise to us that Comcast was named for the fifth consecutive year one of America's Top 50 Corporations for Multicultural Business Opportunities.

Comcast has proven itself as a strong supporter of the Hyde Square community. I am convinced that the proposed Comcast-NBC Universal venture will only make Comcast a stronger community partner. During your review of this transaction, I hope you will weigh all that Comcast does for youth of Hyde Square.

Sincerely,

Paul Trunnell

Director of Finance and Development
Hyde Square Task Force
