**Re: WT Docket No. 07-293; ID Docket No. 95-91;  
GEN Docket No. 90-357; RM-8610  
Ex Parte Notice**

Dear Ms. Dortch:

This is to advise that yesterday the undersigned, representing the Aerospace and Flight Test Radio Coordinating Council ("AFTRCC"), spoke by telephone with Linda Chang, Associate Chief, Mobility Division, Wireless Telecommunications Bureau, regarding the above-referenced dockets. The parties discussed ITU-R Recommendation M. 1459 and Rule 27.73. The undersigned addressed the importance of the Recommendation to aeronautical mobile telemetry ("AMT") interests, and AMT's record of successful coordination with other services; and I expressed the view that the AMT community was willing to work with WCS interests in order to effectuate the new coordination requirements. The views offered are consistent with those previously stated by AFTRCC in its recent ex parte filings on this subject.

A copy of this ex parte filing is submitted for the docket.

Sincerely,

  
William K. Keane
