Dear Ms. Dortch:

This is to inform you that on July 6, 2010, I met with Christine Kurth, Legal Advisor to Commissioner McDowell. During this meeting we discussed issues concerning broadband deployment and adoption, and the operation of broadband networks raised in the dockets cited above. I urged the Commission, consistent with our filings in those dockets, to maintain a pro-investment, pro-innovation approach to the broadband Internet.

Pursuant to Commission rules, please include this notice in the above-referenced dockets.

Sincerely,
