Spectrum for Broadband, GN Docket Nos. 09-47, 09-137

Dear Ms. Dortch:

This letter is to notify you that on July 7, 2010, the Association of Public Television Stations (APTS) had two meetings at the FCC to discuss the above-captioned proceedings. Lonna Thompson, Interim CEO and General Counsel of APTS, and APTS Board members Rod Bates and Patrick Butler, first met with Commissioner Michael Copps and his staff. APTS also met with William Lake, Chief of the Media Bureau, and Rebecca Hanson.

The participants discussed local public television stations' use of their digital spectrum. Specifically, they discussed public television services in Nebraska and Maryland. The participants also discussed spectrum allocations and funding mechanisms for public television.

Sincerely,

/s/Lonna M. Thompson

Lonna M. Thompson
Interim CEO and General Counsel
