Waiver Request for Funding Commitment Decision Funding Year 2010

Applicant: Chatom Union School District
Applicant BEN: 144429
Form 471# 747343
FRN# 2018745

Decision appealing: Contract Violation

Decision Explanation: FCC rule require that a contract be signed and dated by the applicant prior to filing of the Form 471 for the products/services requested. This requirement was not met.

Narrative: The finalized contract from our county office which included our internet service was delivered to us on May 12, 2010. Our actual contract signing date is May 26, 2010. The last day to file a 471 for the 2010-2011 Funding year was February 19, 2010 (extended due to storms). As such, we are unable to provide a signed contract before the filing window for form 471s was closed. There was no way to have the contract signed before the window closed. We hereby request a waiver of the FCC rule that requires a contract be signed before a form 471 can be filed for the FRN listed above.
