Re: Notice of oral *ex parte* presentation
WT Docket Nos. 08-61 & 03-187

Dear Ms. Dortch:

On July 22, 2010, representatives of the Infrastructure Coalition (consisting of CTIA–The Wireless Association[®], the National Association of Broadcasters, PCIA–The Wireless Infrastructure Association, and the National Association of Tower Erectors) and the Conservation Groups (consisting of the American Bird Conservancy, Inc., Defenders of Wildlife, and the National Audubon Society) met with Mr. John Giusti, Chief of Staff and Legal Advisor to Commissioner Michael J. Copps concerning the above docketed proceedings. A list of the meeting’s participants is attached.

The Infrastructure Coalition and the Conservation Groups discussed the fact that they have successfully negotiated a memorandum of understanding concerning interim Antenna Survey Registration filings pending the outcome of these proceedings and urged the FCC to act expeditiously on the extant issues in these proceedings. The executed memorandum of understanding was previously filed in these proceedings.

Respectfully submitted,
