RE: *In the Matter of Schools and Libraries Universal Service Support
Mechanism, A National Broadband Plan For Our Future*, CC Docket No.
02-6 and GN Docket No. 09-51

Dear Ms. Dortch:

On July 27, 2010, Shelly Eggert, Roxana Madrid and I, all of Qwest, met with Dana Walton-Bradford, Rebekah Bina, James Bachtell and Gina Spade, of the Federal Communications Commission's Wireline Competition Bureau, Telecommunications Access Policy Division, via telephone conference, in reference to the proceedings in the above caption.

We discussed the FCC Form 470 and the Commission's proposal to make leased dark fiber from any source eligible for E-rate funding as a Priority 1 service. Qwest's comments on the call were consistent with its comments filed on July 9, 2010 in the same proceedings.

Please contact me if you have any questions concerning this matter.

Sincerely,

/s/ Tiffany West Smink
