Re: Notice of *Ex Parte* in GN Docket Nos. 09-191 and 10-127

Dear Ms. Dortch:

On July 30, 2010, David Bartlett (Vice President – Federal Government Affairs, CenturyLink), Melissa Newman (Vice President – Federal Regulatory Affairs, Qwest), and I, met with Edward Lazarus (Chief of Staff) and Zachary Katz (Legal Advisor) in the Office of Chairman Genachowski.

We discussed the following attributes of prospective legislation for fixed and mobile broadband internet services related to the Commission's Open Internet principles:

- Prohibitions on blocking legal content and interfering with attachment of nonharmful devices;
- Non-discrimination;
- Treatment of managed services;
- Transparency of broadband Internet service performance and network management practices;
- An enforcement regime to protect consumers; and
- Parity treatment for different broadband delivery technologies.

Please feel free to contact me if you require additional information.

Sincerely,

/s/

Eric Einhorn
