Re: MB Docket No. 10-56

Dear Chairman Genachowski:

On behalf of the Forest Preserve District of DuPage County, Illinois, I submit this letter endorsing the proposed partnership between Comcast and NBC Universal.

Comcast is our partner in the effort to preserve and maintain the forest preserves for future generations to experience and enjoy. Established in 1915, the Forest Preserve District of DuPage County is 25,000 acres of individual forest preserves, rivers and streams and over a hundred miles of trails. Our mission is to acquire and preserve lands capable of being restored for the citizens of DuPage County.

Comcast's commitment to the Forest Preserve District of DuPage County is multi-faceted. I have personally appeared on Comcast Newsmakers to spread the word about our mission and our work. We are proud to partner with Comcast each year for their annual day of volunteerism – Comcast Cares Day. Together, we have mobilized hundreds of volunteers to beautify and improve our parks, farms, and forest preserves. On April 24, 2010, volunteers worked to plant flowers, spread mulch, paint sheds, pick-up debris and clean trails. Comcast is the ideal corporate and community partner. Its support through volunteerism, media and charitable works are woven into the fabric of our communities.

The Forest Preserve District of DuPage County requests the FCC approve the plan to join Comcast and NBC Universal. Comcast is an exemplary community partner that improves the communities it touches; DuPage County is among them.

Sincerely,

Dewey Pierotti Jr.  
President
