

"My name is John Brewer, Extra Class Amateur license K5MO I'm writing to support the comments filed by the Maritime Radio Historical Society (MRHS) regarding WRC-12. Specifically, I agree with the MRHS position that the FCC should not support those portions of the recommendations for WRC-12 that would adversely effect MRHS station KSM and other stations in the maritime service. The amount of spectrum occupied by continuation of existing RTTY and CW operations is minimal, and the benefit of maintaining backup modes of operation in case of emergency , is significant.
