

My name is Don Hlinsky (FCC Licenses PG-18-33283 & N9IZU). I'm writing to fully support the comments filed by the Maritime Radio Historical Society (MRHS) regarding WRC-12. Specifically, I agree with the MRHS position that the FCC should not support those portions of the recommendations for WRC-12 that would adversely effect MRHS station KSM and other stations in the maritime service. Specifically those provisions that limit or eliminate A1A and NBDP emissions. At minimum, the frequencies currently assigned to KSM for A1A and NBDP, which are in active use, should continue to receive the protection from interference as they currently and traditionally enjoy.
