Dear Mr. Furth,

Please accept the attached corrected plan amendment for the revised table of allotments for the 806-809/851-854 MHz band, in reference to the Region 25 NPSPAC Docket Number (PR Docket No. 92-267) and Re-banding Proceeding Docket Number (WT Docket No. 02-55). The previous submission by Region 25 neglected to include the corrected plan amendment. Submission of this letter and new allotment table should comply with FCC requirements.

If you have any questions or comments regarding this submission, please feel free to contact me at any time.

Respectfully,

William
