

My name is William Miner. I'm writing to support the comments filed by the Maritime Radio Historical Society (MRHS) regarding WRC-12. Specifically, I agree with the MRHS position that the FCC should not support those portions of the recommendations for WRC-12 that would adversely effect MRHS station KSM and other stations in the maritime service. These stations provided an valuable service during times of normal operation and could provide an invaluable service during times of natural or man-made emergency.
