

My name is Jason Corriveau. I'm writing to support the comments filed by the Maritime Radio Historical Society (MRHS) regarding WRC-12. Specifically, I agree with the MRHS position that the FCC should not support those portions of the recommendations for WRC-12 that would adversely effect MRHS station KSM and other stations in the maritime service.

Additionally, I have been appointed Trustee of the North East Coastal station for the New England Historical Radio Society or Station WNE with associated Amateur Radio Callsign W1WNE. We are primarily A1A operators and are avid users of the Amateur Radio service.

As a younger enthusiast and eager to know and learn about the historical and current aspects of the Coastal Stations.

Please consider the voice of Maritime Radio Historical Society (MRHS).
