Re: Funding Commitment for Funding Year 2008, Packet ID# 95576

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10214
HCP Contact Name: David P Hodges
HCP Name: Clara Morgan Sub-Regional Clinic
HCP Address: PO Box 269
 Aniak, AK 99557

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	8/16/2008	9/15/2008	1.02	\$0.00	\$12,221.50	\$12,465.93	45761

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

If you have any questions or need help, please call the Customer Service Support Center at 1-800-229-5476, Monday through Friday, 8am - 8pm, Eastern Time. Please have your HCP Number available as a reference.

This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Re: Funding Commitment for Funding Year 2008, Packet ID# 95563

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10182
HCP Contact Name: David P Hodges
HCP Name: John Afcan Memorial Clinic
HCP Address: PO Box 85
 St. Mary's, AK 99658

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	8/16/2008	9/22/2008	1.25	\$0.00	\$12,221.50	\$15,276.88	45675

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. 5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. 7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhcd-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Re: Funding Commitment for Funding Year 2008, Packet ID# 95572

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10211
HCP Contact Name: David P Hodges
HCP Name: Akiachak Native Community Clinic
HCP Address: General Delivery
 Akiachak, AK 99551

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	10/17/2008	2/1/2009	3.52	\$0.00	\$926.00	\$3,259.52	45752

To help you understand the information provided in this letter, the following definitions are provided:

- Service: The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission

Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. 2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Re: Funding Commitment for Funding Year 2008, Packet ID# 95575

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10213
HCP Contact Name: David P Hodges
HCP Name: Alakanak Clinic
HCP Address: PO Box 167
 Alakanak, AK 99554

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	11/11/2008	1/25/2009	2.48	\$0.00	\$12,221.50	\$30,309.33	45758

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC)—skipping Option A—explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Contract	8/16/2008	1/19/2009	5.13	\$0.00	\$12,221.50	\$62,696.30	45705

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Re: Funding Commitment for Funding Year 2008, Packet ID# 95586

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10195
HCP Contact Name: David P Hodges
HCP Name: Grayling Clinic
HCP Address: General Delivery
 Grayling, AK 99590

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	11/18/2008	1/18/2009	2.01	\$0.00	\$7,845.00	\$15,768.45	45710

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Re: Funding Commitment for Funding Year 2008, Packet ID# 95676

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10201
HCP Contact Name: David P Hodges
HCP Name: Kipnuk Clinic
HCP Address: PO Box 183
 Kipnuk, AK 99614

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	8/16/2008	1/25/2009	5.33	\$0.00	\$12,221.50	\$65,140.60	45726

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission

236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009

The Funding Year 2009 application-filing window will open well before the beginning of the funding year on July 1, 2009. Check the RHCD website for dates and details. The FCC requires applicants to re-file each funding year to participate in the rural health care universal service support mechanism, and applicants must complete and have a Form 465 posted on the RHCD website for 28 days before they may select a service provider and become eligible to receive support.

Re: Funding Commitment for Funding Year 2008, Packet ID# 95562

Dear David Hodges:

The Rural Health Care Division (RHCD) of the Universal Service Administrative Company (USAC) has completed a review of your FCC Forms 466 or 466A and made decisions with respect to your request for support of telecommunications or Internet services. This letter is to advise you of our decisions. We have sent this letter to both the rural HCP mailing address (above) and the rural HCP physical location (below) if these addresses are different.

HCP Number: 10204
HCP Contact Name: David P Hodges
HCP Name: Kotlik Clinic
HCP Address: PO Box 20268
 Kotlik, AK 99620

In addition, a copy of this letter has been sent to your service provider listed below.

Service Provider Name: GCI Communication Corp - GCI Communication Corp
Service Provider Identification Number (SPIN): 143001199

Based on the information provided on your applications, the RHCD determined that the rural HCP may receive the onetime (non-recurring) and monthly recurring support amounts shown below for Funding Year 2008 (7/1/08 to 6/30/09). The estimated total support amount listed below is what the RHCD has reserved for your request.

Service: Satellite - 1544 Kbps
Billing Account Number: RH000220011

Type of Service Agreement	Eligible Support Start Date	Support End Date	Estimated Months of Support	Non-Recurring Support Amount	Monthly Recurring Support Amount	Estimated Total Support Amount	Funding Request Number
Contract	11/11/2008	1/25/2009	2.48	\$0.00	\$7,845.00	\$19,455.60	45732

To help you understand the information provided in this letter, the following definitions are provided:

- **Service:** The type of service ordered from the service provider as shown on Form 466 or 466A.

- **Type of Service Agreement:** This reflects RHCD's determination of whether the applicant is eligible for support based on a contract or a month to month service. For contract service, RHCD must have reviewed the relevant document(s) and determined that they meet RHCD contract criteria (written document signed by both parties with a valid contract award date and sufficient terms of service). Agreements that do not meet the standards for treatment as contracts are treated as month to month service, or if an HCP is eligible for month to month service support prior to the contract award date, they are treated as month to month service. In some circumstances, service under a pre-existing contract may be supportable before the 29th day that Form 465 was posted on the RHCD website, but month to month service is never eligible for such pre-posting support. Questions about contract/month to month determination may be directed to the RHCD Customer Services Support Center at 1-800-229-5476.
- **Eligible Support Start Date:** The first possible date for which the RHCD will provide support for the requested service. Note: If the actual start date on Form 467 is different from the date on Form 466 or Form 466A, the eligible start date will either be the date shown on Form 467 or the 29th day after Form 465 was posted on the RHCD website depending on which is later and the type of service agreement.
- **Support End Date:** The end date of Funding Year 2008 is June 30, 2009. This is also the last day support may be given to eligible rural HCPs for Funding Year 2008 of the program.
- **Estimated Months of Support:** The number of full and partial months, calculated from the eligible support start date to the support end date based upon information provided on Forms 466 or 466A and supporting documentation.
- **Non-Recurring Support Amount:** The eligible one-time charges associated with the services ordered from the service provider. This amount is calculated from information provided on Forms 466 or 466A and supporting documentation. It may be different from the amounts submitted by the rural HCP because of an adjustment determined to be appropriate under program rules.
- **Monthly Recurring Support Amount:** The eligible monthly recurring support that the rural HCP should receive on bills from the service provider on a monthly basis during Funding Year 2008. This amount is calculated from the information provided by the rural HCP on Form 466 or 466A and supporting documentation. It may be different than the amounts submitted by the rural HCP because of an adjustment determined appropriate under program rules.
- **Estimated Total Support Amount:** The Monthly Recurring Support Amount multiplied by the Estimated Months of Support, plus the Non-Recurring Support Amount. The actual total support amount may differ from the amount shown above, depending upon when service actually started, as reported to RHCD on Form 467.
- **Funding Request Number:** The number assigned to the service request by the RHCD.

Next Steps

It is important to save this letter. Your next step in this process is the HCP's completion and submission of FCC Form 467. An electronic certification option is available through the RHCD website, allowing you to submit the Form 467 online. See the "E-Certification" section of the website for details. This will confirm your receipt of the services for which support has been approved, and the date on which the service provider began providing those services (If this funding commitment letter is for zero support, you **need not** complete a Form 467). You will need the Funding Request Number in the table above to complete Form 467. Your completed Form 467 allows us to begin processing invoices from the service provider for your support. You should contact each service provider yourself to make any necessary arrangements regarding billing of supported services, and any other administrative details relevant to your participation in this universal service program.

When filling out Form 467, please take special care when completing Block 5, Item 12, which requires the Billing Account Number of the organization eligible to receive the "universal service support credit." The Billing Account Number is an account code used by service providers to track charges and credits for customers and is listed on the bill for the supported service. The RHCD recommends that rural HCPs verify the Billing Account Number with their service provider.

The Billing Account Number in Item 12 must belong to the entity that is actually billed for the supported service. If the service used by the rural HCP is billed to another organization, such as the "parent" entity in a telemedicine consortium or network, please verify the Billing Account Number with that organization. FCC rules specifically state that the benefits of this program are only available to eligible rural HCPs. Therefore, although the service may be billed to another organization, the benefits of the support must clearly flow to the eligible rural HCP.

The Form 467 should be signed by the HCP employee responsible for procuring or maintaining the requested services for the rural HCP. The signer of Form 467 is certifying that the eligible rural HCP has or will receive the benefit of the universal service support.

The Billing Account Number, certifications, and all other information provided on FCC Forms 465, 466, 466A, and 467 may be subject to audit by the RHCD and the FCC. The RHCD must be immediately notified, if at any time, the supported services are not being conveyed to the eligible rural HCP, or the eligible rural HCP is not otherwise receiving the benefit of this federal universal service support. Rural HCPs that are approved for support are reminded that they, and any entity that filed an application on their behalf, continue to be subject to audits and other reviews that the RHCD and/or the FCC may undertake to insure that the universal service support is being used in compliance with FCC program rules. If the RHCD discovers that supported services are not being used in compliance with program rules, applicants will be subject to enforcement activities and other means of recourse by the RHCD and other appropriate Federal, state, and local authorities.

Appeals

The RHCD recognizes that some health care providers will disagree with our decisions. **If you wish to file an appeal, your appeal must be postmarked no later than 60 calendar days after the Funding Commitment Letter was issued, starting on the date at the top of this letter.** There are two appeal options:

- A. Write an RHCD Letter of Appeal explaining why you disagree with the Funding Commitment Letter and what outcome you request, **OR**;
- B. Write an appeal directly to the Federal Communications Commission (FCC) —skipping Option A— explaining why you disagree with the RHCD's decisions. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725 as amended January 24, 2002 by FCC Order 01-376) are available on the RHCD web site (www.rhc.universalservice.org). While you may write directly to the FCC without first presenting your appeal to the RHCD, you are encouraged to write first to the RHCD so that we have an opportunity to review your appeal and grant it, if appropriate.

Please follow these guidelines when submitting a letter of appeal to the RHCD:

1. Write and mail your letter to:

Letter of Appeal
Rural Health Care Division of USAC
2000 L Street Northwest, Suite 200
Washington, DC 20036
Phone: (800) 229-5476

2. Appeals may be submitted to the RHCD electronically, by fax or by e-mail. E-mail submissions must be submitted to rhc-admin@universalservice.org. The RHCD will automatically reply to incoming e-mails to confirm receipt. E-mails can be submitted in any commonly used word processing format. Appeals to the RHCD filed by fax must be faxed to 202-776-0080. Appeals submitted by e-mail will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Similarly, fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.
3. Please provide necessary contact information. List the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with the RHCD.
4. Identify the rural HCP Name, HCP Number, and Funding Request Number(s) from this letter.
5. Explain the appeal to the RHCD. Please keep your letter brief and to the point. It must identify a problem and why it is being appealed. RHCD support decisions are made by applying non-discretionary program rules to information submitted by applicants, so a letter simply stating, "We appeal the amount of support" provides no information that could lead to a different decision. Please review the information submitted, and explain precisely what alternate decision you believe RHCD should have reached using that information, within program rules. Please provide documentation to support your appeal.
6. Unless you are filing the appeal via e-mail, you must attach a photocopy of the Funding Commitment Letter you are appealing.
7. The RHCD will review all letters of appeal and respond in writing within 45 days of receipt of the appeal. The response will either grant the appeal or will explain why the appeal was not granted.
8. If the rural HCP disagrees with the RHCD's response, it may file an appeal with the FCC within 60 days of the date the RHCD issued its decision in response to the rural HCP letter of appeal. The FCC address to which a rural HCP may direct its appeal is:

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

Documents sent by Federal Express or any other express mail should use the following address:

Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743
(8 AM – 7PM ET)

The FCC will not accept hand-delivered or messenger-delivered paper filings at its headquarters. They will be accepted only at the following address:

Federal Communications Commission
Office of the Secretary
236 Massachusetts Avenue, NE, Suite 110
Washington, DC 20002
(8 AM – 7PM ET)

For security purposes, hand-delivered or messenger-delivered documents will not be accepted if they are enclosed in an envelope. Any envelopes must be disposed of before entering the building. Hand deliveries must be held together with rubber bands or fasteners.

Appeals may also be submitted to the FCC electronically, either by the Electronic Comment Filing System (ECFS) or by fax. The FCC recommends filing with the ECFS to ensure timely filing. Instructions for using ECFS can be found on the ECFS page of the FCC web site. Appeals to the FCC filed by fax must be faxed to 202-418-0187. Electronic appeals will be considered filed on a business day if they are received at any time before 12:00 a.m. (midnight), Eastern Standard Time. Fax transmissions will be considered filed on a business day if the complete transmission is received at any time before 12:00 a.m.

Please be sure to indicate Docket Nos. 96-45 and 97-21 on all communications with the FCC. The appeal transmission must also provide the rural HCP name and HCP number from the letter(s) being appealed, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address (if available) of the person filing the appeal. Unless the appeal is by e-mail, please include a copy of the letter being appealed.

Funding Year 2009
