Dear Ms. Dortch:

Today, on behalf of the North American Portability Management LLC (“NAPM LLC”), I provided Austin Schlick, General Counsel, and Sharon Gillett, Chief of the Wireline Competition Bureau, with a letter updating the Commission on the Request for Proposal (“RFP”) that the NAPM LLC is developing for number portability database platform(s) and services in the seven United States former Regional Bell Operating Company (“RBOC”) service areas or regions, including their related territories.

Pursuant to Section 1.1206(b) of the Commission's rules, a copy of this letter is being filed via ECFS with your office. Please contact the undersigned if you have any questions or need additional information.

Respectfully submitted,

Todd D. Daubert
