**THIRTY-SECOND CONSOLIDATED STATUS REPORT
OF INTRADO COMMUNICATIONS OF VIRGINIA INC.**

Intrado Communications of Virginia Inc. (“Intrado”), by its attorneys, respectfully submits this Thirty-Second Consolidated Status Report in response to the request from staff of the Wireline Competition Bureau (“Bureau”) of the Federal Communications Commission (“Commission” or “FCC”).

Overview

In past status reports, Intrado has noted that appeals of two state commission arbitration decisions were pending in federal court – one addressing Intrado’s arbitration with AT&T Ohio and one addressing Intrado’s arbitration with AT&T North Carolina. Intrado is also engaged in negotiations and state commission arbitration proceedings with AT&T Texas and various Verizon entities. Finally, Intrado is engaged in negotiations with various CenturyLink (formerly,

Embarq) entities, including state arbitration proceedings. This consolidated status report provides updated information regarding the status of each of the above matters.

Ohio AT&T Litigation. In prior status reports, Intrado has noted that an appeal of an arbitration decision rendered by the Public Utilities Commission of Ohio (“PUCO”) was pending in the Southern District of Ohio concerning Intrado’s arbitration with AT&T Ohio.¹ There have been no additional developments in Ohio since the Thirty-First Consolidated Status Report.

North Carolina AT&T Litigation. Intrado has noted that an appeal of an arbitration decision rendered by the North Carolina Utilities Commission (“NCUC”) was pending in the Eastern District of North Carolina regarding Intrado’s arbitration with AT&T North Carolina (“AT&T”).² There have been no additional developments in North Carolina since the Thirty-First Consolidated Status Report.

Texas AT&T Arbitration.³ Intrado and Southwestern Bell Telephone Company b/d/a AT&T Texas (“AT&T Texas”) are engaged in interconnection arbitration proceedings before the Public Utility Commission of Texas (“PUCT”). An evidentiary hearing was scheduled in this proceeding for July 13, 2010. However, on July 8, 2010 Intrado and AT&T Texas filed a joint request for abatement of hearing. On July 8, 2010, the PUCT granted abatement until August 31, 2010 and ordered Intrado and AT&T Texas to file bi-weekly status reports with the PUCT. The Parties’ Third Status Report submitted to the PUCT is attached hereto as **Attachment A**. On

¹ *The Ohio Bell Telephone Company v. Public Utilities Commission of Ohio, et al.*, Complaint for Declaratory and Injunctive Relief, Case 09-CV-00918-ALM-MRA (S.D. Ohio filed Oct. 15, 2009).

² *BellSouth Telecommunications, Inc. d/b/a AT&T North Carolina v. Finley*, Complaint for Declaratory and Injunctive Relief, Case 5:09-CV-00517-BR (E.D.N.C. filed Dec. 2, 2009).

³ *Petition of Intrado, Inc. for Arbitration Pursuant to Section 252(b) of the Communications Act of 1934, As Amended, to Establish an Interconnection Agreement with Southwestern Bell Telephone Company d/b/a AT&T Texas*, PUC Docket No. 36176.

August 26, 2010, the PUCT extended the abatement until September 30, 2010. A copy of the PUCT order extending abatement is attached hereto as **Attachment B**.

Verizon Matters. Intrado is engaged in ongoing negotiations with Verizon North Inc., Verizon Florida, LLC, GTE Southwest Incorporated, Verizon South Inc., Verizon Pennsylvania Inc., and Verizon Virginia Inc. (collectively, "Verizon"), regarding interconnection agreements and state arbitration proceedings between Intrado and Verizon in Texas, Delaware, Florida, Illinois, Pennsylvania, and North Carolina.

North Carolina. Verizon South Inc. and Intrado signed a Section 251(c) interconnection agreement ("Agreement") in North Carolina. A copy of the interconnection agreement is attached hereto as **Attachment C**. On June 28, 2010, Verizon South Inc. and Intrado filed the Agreement for approval with the NCUC. On August 4, 2010, the NCUC approved the Agreement, which is effective on the date of filing, June 28, 2010. A copy of the NCUC's Order Approving Agreement is attached hereto as **Attachment D**.

Illinois. Intrado has signed a Section 251(c) interconnection agreement with Verizon North Inc. and Verizon South Inc. in Illinois ("Agreement"). On August 18, 2010, the ICC approved the Agreement by Order, which is attached hereto as **Attachment E**.

Virginia. As discussed in the Thirtieth Consolidated Status Report, Intrado reached a Section 251(c) interconnection agreement ("Agreement") with Verizon Virginia Inc. On June 22, 2010, the Agreement was filed with the Virginia State Corporation Commission ("VSCC") and is awaiting VSCC approval. Intrado also entered a Section 251(c) interconnection agreement with Verizon South Inc. ("Agreement"), which was filed with the VSCC on August 13, 2010. A copy of the Agreement is attached hereto as **Attachment F**. On August 31, 2010, the same date as this filing, Intrado filed a Motion to Withdraw Petition for Arbitration in WC

Docket No. 08-185, since VSCC approval the Agreement will render all issues moot. A copy of Intrado's Motion to Withdraw Petition for Arbitration is attached hereto as **Attachment G**.

Other Verizon Matters. There has been no activity in the state arbitration proceedings between Intrado and Verizon in Florida and Delaware since the last status report.

CenturyLink Matters. As noted in the Thirty-First Consolidated Status Report, Intrado is engaged in ongoing negotiations with the Central Telephone Company of Virginia and United Telephone – Southeast, Inc. (collectively, "CenturyLink"), including the status of other state arbitration proceedings pending between Intrado and CenturyLink entities. There have been no developments since the Thirty-First Consolidated Status Report.
