ICOG SUBMISSIONS TO FCC			
<p>Note: Some of the agreements listed in this Index are excerpted to omit provisions not relevant to this submission, or because of confidentiality provisions that prohibit disclosure without the advance consent of the contracting party. All such excerpted agreements were entered into only by DBSD or one of DBSD's subsidiaries, and not by ICOG or one of its international subsidiaries. Other than the confidential provisions, the full versions of the documents are available upon request.</p>			
Organizational Charts			
Number	Date	Document	Relevance
A.1	January 2005	Organizational Chart	Depicts corporate structure of ICOG and its subsidiaries prior to separate funding of North American MSS operations
A.2	June 2005	Organizational Chart	Depicts corporate structure of ICOG and its subsidiaries in contemplation of the separate funding of North American MSS operations
A.3	January 2006	Organizational Chart	Depicts corporate structure of ICOG and its subsidiaries following the separate funding of North American MSS operations
A.4	July 2010	Organizational Chart	Depicts current corporate structure of ICOG and its subsidiaries, which has remained constant (other than entity name changes) since the separate funding of North American MSS operations
Documents Showing DBSD's Independence from ICOG			
Number	Date	Document	Relevance
B.1	August 2005	Table of Contents from DBSD 2005 Debenture Financing	<p>Lists all documents created to implement (a) the separate funding of DBSD, (b) the transfer to DBSD and its subsidiaries of all assets related to domestic MSS operations, (c) the governance rights granted to the DBSD investors in exchange for their funding of DBSD and (d) the specific and detailed separation of the North American MSS assets and ICOG's retained assets</p> <p><i>Key documents from this list are included with this submission and described below.</i></p>
B.2	August 2005	Securities Purchase Agreement	Describes the sale of \$650 million of 7% senior secured convertible notes to fund the development and deployment of the North American MSS/ATC system

Ex Parte Submission of ICO Global Communications (Holdings) Limited
WT Docket 02-55; ET Docket Nos. 00-258 and 95-18; File Nos. SAT-T/C-20091211-00144, et al.
September 3, 2010

B.3	August 2005	Schedules to Securities Purchase Agreement	Details (a) the entities contributed to DBSD by ICOG (See Schedule 3(a) on page 1); (b) the other contributions by ICOG to DBSD (See Schedule 3(i) on page 2), and (c) the intercompany agreements between DBSD and ICOG (See Schedule 3(l) on page 3)
B.4	August 2005	Notice to Loral	Announces the formation of DBSD and the corresponding segmentation of the North American MSS business
B.5	August 2005	Trust Indenture	Describes the governance rights of the DBSD investors, including their right to (a) an independent director, (b) approve any debt, (c) approve any issuance of equity, (d) approve any sale, lease or transfer of DBSD assets, (e) approve any cash dividend to ICOG, (f) approve any significant interested transaction, and (g) approve any business other than the operations of a GEO-based MSS system in North America (see pages 37-56)
B.6	August 15, 2005	Press Release	Summarizes the funding of DBSD and corresponding segmentation of North American MSS/ATC operations into DBSD and its subsidiaries
B.7	September 30, 2005	Initial DBSD Quarterly Financial Statements	Details the financial results of DBSD and its subsidiaries for the first quarter of independent operations, with evidence of DBSD's independent funding, in a form provided to its investors every quarter pursuant to the Trust Indenture.
B.8	September 30, 2005	Initial Compliance Certificate	Affirms the accuracy and completeness of the DBSD quarterly financial statements, in a form provided to investors every quarter pursuant to the Trust Indenture
B.9	November 29, 2005	Amended and Restated Satellite System Construction Contract with Loral	Governs construction of the DBSD GEO satellite and ground based beam former; neither ICOG nor any of its international subsidiaries are parties to this agreement <i>Excerpted to comply with confidentiality restrictions.</i>
B.10	December 2005	DBSD Bank Statements	Reflects the separate bank accounts of DBSD, which have been consistently maintained from and after the funding of DBSD by investors

Ex Parte Submission of ICO Global Communications (Holdings) Limited
WT Docket 02-55; ET Docket Nos. 00-258 and 95-18; File Nos. SAT-T/C-20091211-00144, et al.
September 3, 2010

B.11	January 1, 2006	Initial Version of DBSD Annual Budget	Contains the annual budget for DBSD and its consolidated subsidiaries, in the form approved each year by the DBSD Board of Directors and then delivered to the DBSD bondholders pursuant to the Trust Indenture, including line items for legal and government relations activities
B.12	March 10, 2006	Launch Contract with Lockheed Martin	Sets forth the agreements relating to the launch of DBSD's GEO satellite; neither ICOG nor any of its international subsidiaries are parties to this agreement <i>Excerpted to comply with confidentiality restrictions.</i>
B.13	March 16, 2006	Press Release	Identified DBSD's ownership of its GEO satellite, and announced the launch contract with International Launch Services division of Lockheed Martin
B.14	April 6, 2006	Press Release	Announced appointment of Kendall Cowan as an independent director for DBSD, with no role on the Board of Directors of ICOG
B.15	May 10, 2006	Gateway Agreement with Hughes Network Systems	Describes the deployment of Las Vegas gateway by DBSD for its GEO satellite; neither ICOG nor any of its international subsidiaries are parties to this agreement <i>Excerpted to comply with confidentiality restrictions.</i>
B.16	May 16, 2006	Press Release	Announced appointment of Sam Ginn to Board of Directors and strategy committee of ICOG, with no role on the Board of Directors of DBSD
B.17	August 28, 2006	DBSD Intelsat/PanAmSat Agreement	Governs the satellite operation of the DBSD GEO satellite, with a 15 year term (unrelated to the operation of the ICOG MEO satellite) <i>Excerpted to comply with confidentiality restrictions.</i>
B.18	May 1, 2007	Press Release	Announced appointment of Brian Thompson to Board of Directors and audit committee of ICOG, with no role on the Board of Directors of DBSD
B.19	December 19, 2008	Press Release	Announced changes to the boards of directors of both DBSD and ICOG, and highlighted the separate accomplishments of DBSD and ICOG

Ex Parte Submission of ICO Global Communications (Holdings) Limited
WT Docket 02-55; ET Docket Nos. 00-258 and 95-18; File Nos. SAT-T/C-20091211-00144, et al.
September 3, 2010

B.20	April 14, 2010	DBSD Insurance Certificate	Reflects in-orbit coverage for DBSD's GEO satellite, which has remained in the name of a DBSD subsidiary since the original issuance
B.21	June 19, 2010	ICOG Insurance Certificate	Reflects third party liability coverage for ICOG MEO satellite operations, which has remained in ICOG's name since the original issuance
Documents Reflecting DBSD's Assumption of Spectrum Clearing Obligations			
	Date	Document	Relevance
C.1	July 2005	Confidential Information Memorandum	Describes the plans for DBSD's North American MSS operations, and related obligations, including (a) the obligation of 2GHz spectrum operators to pay for BAS relocation and (b) the expectation that Nextel might seek reimbursement for BAS relocation from the 2GHz MSS operators (see pages 24, 51 and 52)
C.2	July 14, 2005	Investor Presentation	Describes for prospective investors the plans and associated risks associated with DBSD's North American MSS operations (see pages 14-30)
C.3	September 26, 2005	DBSD Business Plan	Recognized spectrum clearing costs, with contemplation that such costs could be covered by a DBSD strategic partner (see page 12)
