**Re: Monthly Financial Report for Long-Term *De Facto* Transfer Spectrum Leases
PS Docket No. 06-229**

Dear Admiral Barnett:

The Public Safety Spectrum Trust Corporation ("PSST") hereby submits its first monthly report to the Public Safety & Homeland Security Bureau ("PSHSB") regarding the administrative fees collected and expended pursuant to the terms and conditions of the Commission's May 12 Order in the above-referenced proceeding.¹

At this time, the PSST has not yet collected any administrative fees from the 20 early deployment waiver recipients that have entered into long-term *de facto* transfer spectrum leases with the PSST, and there are no expenditures to report. The PSST recently submitted invoices to each waiver recipient in the amount of \$15,000 for the administrative fee for the first year of the lease, consistent with the PSST budget approved by the PSHSB.² Payment for the invoices is due by November 1. Please contact me directly with any questions.

Respectfully submitted,

Chief Harlin R. McEwen
Chairman
