Re: Ex Parte Notice: CC Docket 02-6 - Schools and Libraries Universal Service Support Mechanism; GN Docket 09-51 - A National Broadband Plan For Our Future

Dear Ms. Dortch,

On September 15, 2010, the undersigned, Mary Henze, Assistant Vice President-Federal Regulatory and Robert Quinn Jr., Senior Vice President - Federal Regulatory, of AT&T met with Jennifer Schneider of Commissioner Copps' office to discuss the recent NPRM in the above-referenced dockets.

Specifically, AT&T discussed the comments and reply comments filed in the proceeding and AT&T's concern with the Commission's proposal to add leased dark fiber to the E-rate eligible services list. Our discussion was consistent with the positions included in AT&T's comments, reply comments and ex parte filings in this proceeding.

Respectfully submitted
