RE: *In the Matters of Establishing Just and Reasonable Rates for Local Exchange Carriers, WC Docket No. 07-135; Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92; IP-Enabled Services, WC Docket No. 04-36; Framework for Broadband Internet Service, GN Docket No. 10-127; National Broadband Plan for Our Future, GN Docket No. 09-51*

Dear Ms. Dortch:

On September 16, 2010, Steve Davis and Melissa Newman of Qwest met with Edward Lazarus, Chief of Staff to Chairman Julius Genachowski, and Zachary Katz, Legal Advisor to Chairman Genachowski, to discuss the above-captioned proceedings.

Qwest urged the FCC to issue orders on phantom traffic, traffic pumping and VOIP classification. These issues have been fully developed in the record and it is important for the FCC to take concrete steps now to reduce arbitrage opportunities.

This *ex parte* is being filed electronically pursuant to 47 C.F.R. §§ 1.49(f) and 1.1206(b). Please contact me at 202.429.3120 if you have any questions.

Sincerely,

/s/ Melissa E. Newman
