RE: Completion of Self Transition for Chippewa Valley Technical College WLX260
Transition of the 2500-2690 MHz Band for BRS and EBS
Transition Area: BTA Number 234: La Crosse, WI-Winona, MN

Dear Ms. Dortch:

Chippewa Valley Technical College ("Chippewa") hereby notifies the Commission that they had previously filed a notice of self-transition with the Commission on March 16, 2009 for WLX260 in Basic Trading Area ("BTA") Number 234 for La Crosse, WI-Winona, MN. Sprint completed the transition for BTA234 pursuant to the notice Sprint filed with the Commission on November 6, 2007 but WLX260 was not included in the transition due to the status of the license at that time. Chippewa hereby notifies the Commission that its license has been transitioned and is hereby simultaneously filing the necessary modification application with the Commission to complete the transition.

Sincerely,
