Re: High-Cost Universal Service Support; Federal-State Joint Board on Universal Service; Request for Review by Corr Wireless Communications, LLC, of Decision of Universal Service Administrator, CC Docket No. 96-45, WC Docket No. 05-337

Dear Ms. Dortch:

On September 3, 2010, the Commission adopted an Order and Notice of Proposed Rulemaking in the above-referenced docket.¹ That Order requires Verizon Wireless to make a binding election, within 30 days of release, of the method of calculating its baseline universal service support.² By this letter, Verizon Wireless provides notice to the Commission that it elects “Option B – Fixed Percentage of Available Support,” as set forth in paragraph 17 of the Order.

At the direction of Wireline Competition Bureau staff, this letter is being filed electronically in the relevant dockets. Please contact me should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Tamara Preiss".
